What we believe

Seventh-day Adventists heritage and beliefs are in a personal God, a personal Saviour, Jesus Christ, the Spirit-directed life, and the inspiration of the Bible. God has led us to discover certain distinctive truths that are unique and provide us with our mission.

Seventh-day Adventist beliefs are meant to permeate your whole life. Growing out of scriptures that paint a compelling portrait of God, you are invited to explore experience and know the One who desires to make us whole.
